Pool Rats

Pool rats is a youth based volunteer program geared at youth interested in aquatics. Teens will be involved in coordinating games during the public swims with the opportunity to shadow guards and learn new aquatic procedures during volunteer and inservice hours. Accumulated hours qualify for high school graduation requirements. Each youth is required to volunteer a minimum of 2 hours per week (minimum 10 hours for the season), and receive a free swim pass for every 2 volunteer hours and keep a free T-shirt (after 6 hours) to wear during volunteer hours. Youth can also earn up to 20% credit towards future lessons. For sign up or more information visit the pool or call.
